Dear Rachel and Staff

I write to say a massive thank you for your kind donation of £210.00 received on 2<sup>nd</sup> February 2012 from your 'Employee of the Month' win back in March 2011 for our Beautiful Day Trust set up in memory of our daughter Sarah who we lost in May 2007 having fought a 3year battle with Hodgkin's Disease. Rachel was a very close and good friend to my daughter and has helped lots with our fundraising events so I am thrilled she nominated our trust as a worthy cause.

We are raising money for Teenage Cancer Trust who are building a Unit at Leicester Royal Infirmary dedicated to Teenagers with cancer. At the present time teenagers diagnosed with cancer are treated either in the Children's ward or Adult ward and neither are in the best interests of teenagers. Creating this new Unit will bring teenagers together with lots of new friends of their own age so they can support each other alongside a medical team of teenage cancer specialists. The Unit will be designed to give teenagers the very best chance of a positive outcome throughout their cancer journey. For more information visit [www.teenagecancertrust.org](http://www.teenagecancertrust.org)

In November 2010 we held a fundraising evening at Leicester Tigers and raised in excess of £17,000.00 and previously raised £16,000.00 for Leicester Royal Infirmary Bone Marrow Transplant Unit (where Sarah spent lots of time) together with a donation to Leukaemia Research.

Thank you once again Rachel and everyone at Alltruck, your donation is very much appreciated.
