

Job Title: HGV Technician
Location: Leicester
Contract: Permanent
Start date: ASAP
Closing date: Wednesday 11th January

We have a vacancy for a HGV technician to join our busy team in Leicester. Ideally you will come with several years' experience of working in a Heavy Goods Vehicle workshop, having attained appropriate City & Guilds, NVQ or BTEC qualifications. Knowledge and experience of working on Mercedes-Benz, MAN and DAF products would be advantageous. An HGV class 1 license is desired.

The successful candidate will have excellent diagnostic capabilities to carry out efficient and effective diagnosis, service and repair to Alltruck and customer's vehicles. A flexible approach, a strong work commitment and team ethic, with a real 'can-do' mentality.

Key Aspects of the Role

- Take instruction from Workshop Foreman, and carry out work in an efficient and effective manner.
- Diligently complete inspection sheets and job cards to the highest standard.
- Liaise with parts department as required.
- Ensure vehicles in yard are secure, with keys returned to the office, and yard locked up when finished.
- Ensure housekeeping is of the highest order.
- Report back to Workshop Foreman on any additional work required above that instructed that may need authority from the customer.
- Develop 'Best Practice' in all service operations and deliver consistently.
- Deliver the 'customer led culture' within the service department.
- Ensure all Company Health & Safety and Environmental policies and standards are adhered to within the service department and depot as a whole.
- Contribute to the effective development of the depot as a whole.

Key Result Areas

- World class service – right first time, on time.
- Maintaining excellent relationships with internal and external customers.
- Accurate completion of job cards.
- Ability to work calmly and efficiently under pressure.
- Good communication flows in and out of the service department.
- Achievement of the KPI's, most specifically MOT pass rate.

Key Benefits

- Attractive rates of pay.
- Up to 25 days holiday per annum.
- Pension Scheme – includes contribution from Alltruck plc.
- Life Cover Scheme.

Please email your CV in the first instance to lisa.thurman@alltruckplc.co.uk, or call 0116 232 5800 for an application form.
