

Welcome to Alltruck

Who are we?

- Alltruck were founded in 1990 and were part of a Management-Buy-Out from the Bank of Scotland in 2000
- We are specialists in commercial vehicle contract hire, rental and fleet management
- We are Committed to Progress:
 - For our customers
 - For our employees
 - For our industry

Alltruck in numbers

- **1500** vehicles in our fleet
- **94%+** MOT pass rate
- **3** sites throughout the East Midlands: Leicester, Nottingham and Sleaford
- **23** months – the average age of our rental fleet

OUR SERVICES

Contract Hire

- Contract Hire delivers the ideal combination of commercial vehicle and service support package
- Contract Hire is designed to improve the overall efficiency of your supply chain
- Contract Hire with Alltruck delivers:
 - Maximum uptime
 - Quality guaranteed
 - Independent and unbiased solutions – meaning we can provide what genuinely works best for you

Rental

- Short term or long term – 3.5t up to Tractor Unit: it is our constant aim to ensure we always have the vehicle you need, available when you need it – that is the bread and butter of our Rental Service
- But at Alltruck the term ‘rental’ means a lot more than just vehicles and availability. It means:
 - Dedicated Account Managers and a level of customer service that you can depend on
 - Vehicles that have been checked and inspected to deliver the quality you expect time after time
 - Continually challenging ourselves to improve the quality of service we deliver our customers

TruckCare Contracted Maintenance

- **Service and Maintenance the easy way!**
- **Why?**
 - TruckCare is the Alltruck service and maintenance plan tailor made to deliver the best solution for you and your vehicles
 - With TruckCare you can spread the cost of scheduled maintenance throughout the year into twelve easy to manage monthly instalments.
 - TruckCare is available for all vehicles and trailers – whatever the make and model

Workshop Services

- The term 'one stop shop' is over used in the industry, but we believe our workshop facilities – available throughout the East Midlands – speak for themselves:
 - Repair and Maintenance
 - Tachograph Centre
 - Truckwash
 - Tail Lift Loler and weight test
 - MOT preparation
 - Fully accredited calibration centre for Vishay VanWeigh and TruckWeigh
 - VOSA ATF MOT Lanes
- Look no further than Alltruck for a full portfolio of commercial vehicle workshop services!

Bodyshop Services

- Our sister company I&J Bodyshop are based in Loughborough and deliver a full portfolio of bodyshop services, including:
 - Accident repair
 - Trailer refurbishment
 - Bodybuilding
 - Vehicle livery

Public Sector

- Alltruck provide fleet management services for around 600 ambulances throughout the UK
- When working with emergency vehicles, not only is specialist expertise required but also an assurance of quality – to get it right first time, every time
- Our growing reputation within the NHS is testament to the quality and reliability that a vehicle receives when it is in Alltruck's hands.

Alltruck² Used Equipment

- Alltruck2: giving a second life to our vehicles
- Vehicles which have been maintained by Alltruck and are being sold by Alltruck...
- So you can be sure of quality at every step of the way.

BUT ENOUGH ABOUT US....

...What about you?

The nature of your transport operation?
Your method of product packaging and materials handling?
Your method of delivery?
Your drivers working environment?
Your Health & Safety policy?
Your environmental policy?
Your corporate image?
The nature and requirements of your customers?

We want to work with you and ask the right questions to understand the needs of you and your business. **That way we can tailor our products and services to develop the transport solution which is right for you.**
